

## HOW DO I GET A YAS FRANCHISE

- 1) Fill out the form on the YAS franchise page on the website.
- 2) A representative from YAS will contact you to find out a little more about you.
- 3) You will be asked to fill out a form called a CIRF (Confidential Information Request Form), which will provide YAS Franchising with information about you to see if you are qualified to take on the financial responsibility of a YAS Franchise. You should fill out the CIRF within 1 week of that initial contact and fax it back to us to begin the process. Keep in mind that our fax line is a dedicated and private fax as we respect your privacy completely.
- 4) Once it is determined that you are qualified, we will set up a face-to-face meeting. We might bring our Franchise documents to that meeting and present them to you. During that meeting you will be asked to sign a receipt that simply states that you received our documents. There is a 14-day waiting period once you've signed the receipt before you can sign the documents and secure (pay for) your location.
- 5) Sign your franchise agreement and secure your area.
- 6) Begin looking for locations.
- 7) Set up your business entities.
- 8) Once the location is found, get approval from the franchisor and sign your lease.
